

## **Equipment Operator – Up to \$5K Sign-on Bonus!**

**Do you have experience operating vacuum trucks, vacuum tankers, tractor trailers and excavation equipment? Have you processed a CDL-A or B license and are looking for a chance to take your career to the next level? If so, this is your opportunity for leadership. The right candidate should possess strong problem solving skills in helping our best clients solve critical environmental problems safely and compliantly.**

### **Essential responsibilities and duties include:**

- Perform all duties in a safe and compliant manner
- Operation of vacuum trucks and tankers in support of industrial cleaning crews
- Be part of a team providing tank cleaning, oil water separator cleaning and site support services
- Pickup and delivery of non-hazardous, petroleum related and hazardous waste with a sharp focus on customer service
- Act in the capacity of confined space entrant or attendant on large tank cleaning projects
- Participate on a rotating 24-hour emergency response team
- Develop an understanding of DOT, EPA & OSHA regulations and TEIs Health and Safety Practices
- Show determination/eagerness to learn and retain a basic knowledge of daily work practices
- Understand and execute all required paperwork
- Perform pre- and post-trip inspections and all driver related regulatory paperwork
- Other duties as assigned; up to and including decontamination activities, soil remediation and all related Field Service projects

### **Most important responsibility:**

- WOW! Internal and external customers in keeping with the guidelines of the Triumvirate Environmental Mission Statement

### **Required qualifications:**

- The utmost safety consciousness and attitude towards safety is paramount
- High School diploma or GED
- Class A or B Commercial Driving License (CDL) with at least one year of driving experience
- Hazmat and Tanker endorsements preferred
- Ability to demonstrate high levels of effective communication to customers and management staff
- 40 Hour OSHA Certificate strongly preferred
- Maintain a valid driver's license, and a clean driving record
- Prior knowledge, experience, and compliance with DOT, RCRA, and other applicable regulations
- Follow all departmental and company policies and procedures
- Remain positive, level headed and team oriented at all times
